01 FIELD ROAST COFFEE — BLACK LABEL

The matte-black square label used across the coffee line (Designate Your Heading, Ground · Drip) — same mark, no roast-specific text, so it works as a generic brand sticker for boxes, coolers, or gear.

About This Sheet

All labels are drawn from the same source lockup as the rest of the brand system (see [extraction-logo-stickers.html](#) for the round compass badge and wordmark rectangle). The Coffee sheet stays generic (no roast name) since it's shared across the line; the Grooming sheet is per-product — Beard Wash and Body Wash — label-for-label with what's actually printed on those bottles today.
